

Cookie policy

This website uses cookies. By using this website and agreeing to this policy, you consent to **Openbrolly's** use of cookies in accordance with the terms of this policy. Cookies are files sent by web servers to web browsers, and stored by the web browsers. The information is then sent back to the server each time the browser requests a page from the server. This enables a web server to identify and track web browsers.

There are two main kinds of cookies: session cookies and persistent cookies. Session cookies are deleted from your computer when you close your browser, whereas persistent cookies remain stored on your computer until deleted, or until they reach their expiry date.
